COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Board of Selectmen met in regular session at the Pleasant Valley Grange Hall in West Bethel and acted on a long and varied agenda. Arlan Jodrey served as acting chairman in the absence of Stanley Howe, who was away on vacation.

The Board approved a weapons permit application for Jeff Scribner, signed appointments for Danny Kennah and Sara Stevens as members of the Community Safety and Law Enforcement Committee, appointed Marcus Moore as a member of the Radio Study Committee, approved a Sewer Study invoice for Dubois and King for the period 3/27/78-5/27/78 in the amount of \$2,780.49, and approved payment to the State of \$1,599 in local State Aid Funds to be applied to the reconstruction of a section of the Sunday River Road.

The Board reviewed a copy of a letter from three families in Albany to the County Commissioners regarding the reconstruction of a section of the Flat Road in the vicinity of the Bethel/Mason/Albany line to eliminate flooding problems. The Board directed the manager to work with the County Commissioners on a program to define the town line and correct the flooding condition. John T. Grover indicated that he and James Everett would provide fill material for the project at no cost to the town.

The manager reported that a check in the amount of \$65,000 had been received from the Federal Government as partial reimbursement for construction of the sewer treatment plant in 1973. The Board authorized the manager to repay the outstanding \$41,000 note continued on Page Five

Outgoing president, Raymond Moran, introduced the installing officer, Sam Lowe, secretary of the Rumbold Rotary Club and past District Governor of Rotary International. In addition to the guest of honor, wives and Rotarians who summer in the Bethel area attended this special meeting filling the Sudbury Inn's dining room.

DOUBLE ATTENDANCE OF YEAR AGO AT SUMMER PLAYGROUND

With the completion of the Playground Program's first week this summer, over 75 children have been registered. This is about double the number over last year. The week was full of fun and surprises. Play leaders Mike Friel and Judy Olson led the first big softball event in which over 30 children participated. Play Director Gail Sysko got together the children many times during the week for skits and acting out stories. Now there is a play in progress, due to be shown Friday, June 30, at Crescent Park School at 11 a. m. All interested are welcome to attend. The play is about a midwest farmer who couldn't tell a lie, but was given a blue ribbon in the World Champion Liar's Contest.

June 30 also wraps up the first two-week session of the summer program. Those children who would like to attend the second session and are not registered may get their forms at the Town Office. The dates are July 31-Aug. 11.

Dr. Shaw's office on Main Street will be closed for vacation July 1 through July 16.

LOWER SUNDAY RIVER SCHOOL ENTERED ON NATIONAL REGISTER OF HISTORIC PLACES

The Lower Sunday River School in Newry has been entered on the National Register of Historic Places according to Earle G. Shetleworth, Jr., Director of the Maine Historic Preservation Commission whose staff prepared the nomination. This designation is in recognition of its historic and cultural importance as part of the American heritage.

Built in 1895, this modest one-room schoolhouse is a remarkable survival from the period. Though closed as a school over 30 years ago, it has been kept in excellent repair and retains its turn-of-the-century atmosphere through the survival of nearly all of its original furnishings.

Wood and cast iron desks of graduated sizes remain in place, each with a glass ink well. Near the front is a Mason & Hamlin organ, dated "Boston, 1895", in excellent condition. Kerosene lamp fixtures and a Regulator clock adorn the walls as well as portraits of Washington, Lincoln, Longfellow and Coolidge.

One of the last surviving one-room schools in northern Oxford County, this particular example provides an unusual picture of a functioning Maine school as it looked three-quarters of a century ago.

LOCAL MUSEUM OPEN FOR THE SEASON
The Railroadiana Museum, featuring an excellent display of railroad items and memorabilia, including several new exhibits, is reopening today (Thursday) for the summer season. Owned and operated by E. M. Quinn, Bog Road, Gilead, the museum is open Thursday through Sunday from 10 to 4:30 and at other times by appointment.

Cheryl A. Sessions is one of several University of Maine at Portland-Gorham students who have secured summer and fall internships as political science interns. She has been assigned to work with the Maine State Police.

Greenwood City

— Mrs. Colista Morgan, Corres. —

Today I went out to work among my flowers. The ground was wet from the rains. But the June air was as sweet as the wild strawberries I picked early in the week.

Birds are still singing all day not just mornings. I could hear them as I worked in my garden.

The day we went for strawberries was one of those June days that some people don't like at all. It began with fog, thick over the ponds. Grass and twigs were wet but the sun was like a flood light behind gauze. When the fog began to clear away, the sun sparkled on the water drops. It was humid and the temperature rose to 80 degrees. By afternoon it was a bit better so Ruth, Fay and I braved the heat and the threatening sky. We climbed to the top farm field. I never remember how tall the grass will be in June. It was thick and tall all the way up. It was a green world full of elusive fragrances. I could smell as well as feel the strength of the grass reaching toward the sun. Grass is a life giver for there are many species; corn, rye, oats, wheat, and all other grains. Our meat depends on it.

Daisies now frost the fields. Buttercups gild the meadows.

"You must look for daisies when days are longest."

Look for buttercups, too. You will find them out where sunbeams shine strongest; For they thrive upon sunlight and dew."

Frank P. Fletcher

A few bobolinks came to sing a few notes but most of them have ended their concerts.

When we reached the top, there were little currents of breezes playing tag. The hills and sky became murky, threatening a shower.

We picked on, keeping one eye on the horizon and an ear for distant thunder.

From the woods when we first arrived came the dismal sounds of ravens. Their cries were so weird and coincided so perfectly with the gloomy weather as to suggest that they were of supernatural origin. The uncouth notes were repeated again and again until a call far away enticed them to move on. I hope they have not come to stay for they destroy many eggs of other birds.

After their noises ceased we enjoyed the white throated sparrow. His series of fine clear, pensive whistles, diminishing toward the end, resembled "Old Sam Peabody, Peabody, Peabody" in rhythm, but varying greatly in pitch; his last notes sometimes ascending, sometimes descending, or all on one level.

So we picked berries until we thought we should stay no longer. We surveyed the panorama of mountains and woodlands shrouded in slaty curtains.

Along our path the purple clover looked up, perfect in its beautiful round head. Its stems covered with soft white hairs and leaves in three parts. Stop a moment and look closely at the freshly-opened head and you are rewarded for the points on the round head are actually sweet pea like flowers and their sweetness delightful.

Now I looked down and pert in my path was a four-leaf clover. It reminded me of the lines of the song "I'm looking over a four leaf clover" which I had to hum. Many times I danced to its melody back at the barn dances here in Greenwood City years ago.

A thick swirl of mist moved across the tops of the slopes on all sides.

We arrived home in time to escape the drift of the mizzling rain. The sound of thunder beyond the

Monday morning temperature 50° and sun coming up, some clouds. We need some sunny days after so much rain. Gardens in this area are looking good, although we had a rather late spring. We have seen quite a few wild rabbits here on the Flat Road. We hope they don't start eating up the gardens.

The West Bethel Union Church will hold a housewarming for the Stephen Parsons family at their home on Sunday, July 2, from 2 to 4 p. m. Everyone is welcome to come and meet Stephen and Shirley and their family.

We have quite a few people from West Bethel in hospitals: Paul Head is still in Rumford Community. Mary Valcourt entered Rumford Community Sunday for observation. Carla Bennett is a patient in the Osteopathic Hospital, Portland. Ruth Gilbert is in Stephens Memorial Hospital, Norway, for treatment for phlebitis in her leg.

low ceiling of gray clouds was like an echoing room, an occasional roll carrying far.

We were fortunate to have berries for supper and to have escaped the showers of rain.

So:

"A cake was spread and strawberries, on top and in between huge wedges, buttery and sweet, prepared to please a queen."

Of all the pleasant happenings that come in summer time, there is one that tops them all—it's homemade shortcake time."

—Marion Olson

Mr. and Mrs. Robert Holt and son, Danny, Windsor, visited Mr. and Mrs. Leonas Holt on Sunday. My sister, Annie Mills, from Shapleigh is visiting us for a few days. We visited our brother and family in East Sumner on Sunday afternoon and also called on our aunt, Hattie Curtis, in West Sumner.

Kathy Bickford, Newport, was a caller here on Sunday afternoon. Frank and Dot Curtis had as callers this week: Pat Johnson of Massachusetts who was at the Davis camp; Eva Felton and grandson, Tommy Bragg, town; John Swan, Locke Mills; Irene Stevens, Augusta.

Mr. and Mrs. Milton Inman, West Paris, have moved to their camp here for the summer.

Fay Holt and I attended the wedding reception of Dixie and Gregg Inman Saturday afternoon. Dixie Komulainen and Gregg were married just before the reception and are living in the cottage here next door to us for the summer. Irene Stevens has moved her mother from Ledgeview, West Paris, to a private home in Augusta.

Baby Austin Hayes has been moved from the Lewiston Hospital to the Stephens Memorial Hospital in Norway. He weighs four pounds and one ounce. His mother, Mrs. Duane Hayes, is at home.

Visitors at the Hayes Homestead for the week end were Del and Betty Hayes, Auburn; Duane and Avis Hayes, West Paris; Glenn and Rachel Hayes, her mother, Mrs. Boucher, Gray.

Alfred Lovejoy did some painting for Alanson Cummings, Friday and Saturday. Alfred and wife, Stella, left early Sunday morning for their home in Michigan.

Alanson Lovejoy had National Guard duty Saturday and Sunday in New Hampshire.

Lightning came in the home of Mr. and Mrs. Cleveland Lovejoy during the shower on June 19 and burned out the TV, so it had to be taken for repairs, and blew some fuses. No other damage reported.

UNIVERSALIST CHURCH OF BRYANT POND TO OPEN FOR SUNDAY SERVICES

The many persons of the historic Universalist Church of Bryant Pond will re-open their church on Sunday, July 2, when regular services will be held at 9 a. m.

For the past several weeks meet-
 ings have been held; some with
 the parish church extension com-
 mittee of the West Paris Univer-
 salist Church with the idea of hir-
 ing and sharing of a full-time
 minister to serve the two church-
 es. Finally an agreement was signed
 and Rev. Patricia Bowen was
 hired, and is now settled at the
 Manse at West Paris, where she
 will serve the persons of the Uni-
 versalist Church of both towns. A
 Sunday school with enrollment in
 September will be started.

Much interest is with many per-
 sons of the town and surrounding
 areas as this church observed its
 125th anniversary last August with
 a large attendance. A great many
 changes do take place in all walks
 of life in all towns such as Wood-
 stock—but outwardly this church
 still remains the beautiful struc-
 ture as envisioned by the original
 13 members in the year 1843, and
 still possesses the quite solitude
 of a by-gone era.

Que.; Philippe Boucher, Ms. Mar-
 go Bouthillier, Greenfield Park,
 Que.
 Unable to attend but sending
 messages of congratulations were
 Mr. and Mrs. James Drury and
 daughters, Jeanie, Debbie, and An-
 na Marie, granddaughters of the
 honored couple, Troy, Mont.; Mr.
 and Mrs. John Crosby, Montreal;
 Mr. and Mrs. J. P. Danis, Beloit,
 Que.; and Fr. Francois, of India.
 After the reception, Mr. and
 Mrs. Belisle received guests at
 their home.

YOUNG LIFE YOUTHS
ATTEND SARANAC VILLAGE
 Several local high school youths
 spent the week of June 19-26 in
 New York at Young Life's Saranac
 Village. It was a great time for
 everyone. Many learned new skills
 such as sailing, water skiing, para-
 sailing and canoeing.

Club talks were a feature each
 day complete with Young Life en-
 tertainment in the evenings, in-
 cluding a circus night, barbecue on
 the beach, square dance and ban-
 quet night. It was a time to re-
 member with lots of physical ex-
 ercise and a change for each one
 to examine the Christian faith and
 its relevance in today's world. The
 group is looking forward to a trip
 to Colorado later this summer to
 Young Life's frontier ranch. Many
 thanks to everyone who helped to
 make this Saranac trip a real suc-
 cess.

GREENWOOD COUPLE CELE-
BRATE — What a perfect day for
 a lawn party under the pines. The
 Misses Elvira and Martha Birney
 hosted a party for Mr. and Mrs.
 Eino Kuvaja on the 25th wed-
 ding anniversary, June 25. Mrs.
 Kuvaja is a cousin to Elvira and
 Martha.

A bountiful feast was served at
 noon. A beautiful anniversary cake
 was made, decorated and served
 by Mrs. Trudy Morse of North
 Norway. A highlight of the party
 was the attendance of Mrs. Kuv-
 aja's brother and wife, Mr. and
 Mrs. Linwood Birney of South
 Paris. Linwood has been in ill
 health for some time but is bet-
 ter at this time. Everyone was
 glad that he was out. The honor
 guests received many gifts, cards,
 and a money tree. Approximately
 100 guests were present. A lovely
 day for a lovely couple at a lov-
 ely place.

Marie Birney and Eino Kuvaja
 were married at West Paris, June
 26, 1953, by Rev. Felix Maybom.
 They have eight children and two
 grandchildren.

CIPIENT — Peter L. Emmons, son

TOWN MANAGER'S COMMENTS

continued from Page One
with the Bethel Savings Bank for monies borrowed in 1972 for the construction project.

The Board signed an amendment to the Sewer Facilities Plan Study Contract with Dubois and King. This amendment authorizes the consultant to follow up on the infiltration/inflow work with sewer system evaluation study. This study will include the cleaning and television inspection of two sections of pipe on Main Street, the dye testing of pipe not recommended for rehabilitation or replacement, the identification of sources of inflow from sump pumps, and the preparation of a cost effectiveness evaluation to compare the cost of rehabilitation/replacement/separation to the cost of treating infiltration/inflow for the entire sewer system.

The Board awarded 1978 Hot Top work to the Cianbro Corporation of North Waterford. Work will include the paving of the water line along the Chapman Street and the laying of approximately 400 tons of hot top on the Northwest Bethel Road. It is planned that

FIRE MARSHAL'S OFFICE

ASKS CAUTION ON JULY 4th
The Maine State Fire Marshal's Office advises caution in using sparklers during the Independence Day holiday.

"Although Maine law was recently changed to allow the purchase and use of sparklers by individuals, it should be remembered that the hazard of sparklers is not the sparks themselves—but the burning composition of the sparklers and the wire which gets red hot," said Capt. Donald M. Bisset, State Fire Marshal, Maine Department of Public Safety.

Bisset said he is "very concerned" about the use of sparklers and urges that there be proper supervision of children who may use them.

"With the exception of sparklers and paper or plastic caps used in cap pistols, all fireworks used by individuals are illegal," said the State Fire Marshal.

The Chapman Street work will start the week of July 10. The Cianbro proposal was \$3.50 per ton less than the proposal submitted by Pike Industries.

A public hearing was held on the adoption of Rules and Regulations for Special Amusement Permits for Licensees under the State Alcoholic Beverages Statute. Gordon Gillies, local attorney, spoke to the Board and urged them to postpone adoption of the document as he questioned the constitutionality of some of the wording. John Stefanik and Kevin Mormelo also requested the opportunity to submit written suggestions concerning the document. As each party agreed to provide additional information, the Board postponed adoption until their next meeting on Monday, July 17.

Two West Bethel area residents were present and expressed dissatisfaction with the water system in West Bethel.

In other action, the Board approved updated General Assistance Rules and Regulations, reviewed the May financial statement, reviewed a letter from Dorothy and Gary York concerning the Nathan Nichols lot at the lower end of Main Street, discussed improvements to the Bird Hill Road (off the Gore Road in Woodstock) and directed the manager to define

the road right of way in the vicinity of the Opera House.

Assessors' meetings were scheduled for June 29 and July 5 and the next Selectmen's meeting was set for July 17.

Norman R. Ness, Jr., Blake to Head Public Transportation Committee

A public transportation committee will be formed by the Greater Bethel Chamber of Commerce. Richard E. (Sonny) Blake will act as chairman until initial arrangements are endorsed by the members. Blake is currently director of M. S. A. D. #44 transportation, a position which ideally qualifies him to consider public transportation problems in the same area as that served by the school district. He is also a past president of the Bethel Jaycees.

The first goal of this committee will involve assembling information on the various bus, air, lease and rental transportation services available on or call to area residents and visitors. Two major terminals of interest to area residents, as expressed to the Chamber, are Portland/Boston and Montreal. In his Chamber of Commerce position, Blake expects to contact scheduled and charter companies as well as work with the Western Maine Transportation Service. Businesses with leased or rental transportation are invited to provide their information, rates and availability.

It is planned to distribute assembled information through business and Chamber information outlets.

MONDAY MORNING FIRE

LEVELS WEST PARIS GARAGE
A late Monday morning flash fire in West Paris levelled the Route 219 Garage owned by Frank Perham causing an estimated loss of \$50,000.

Stephen Thorpe of North Paris who was working in the garage at the time of the explosion said that he, Mike Inman and Charles Hawthorne were dismantling a car with a cutting torch when the blast occurred. Thorpe said he immediately looked under the car and saw the fire traveling along the floor under the vehicle.

It was reported that there were several tanks of gas in the building in addition to those used to operate the cutting torches. There were reportedly several explosions during the height of the blaze which shot flames some 100 feet into the air.

Responding to the blaze was the West Paris Fire Department, assisted by units from the Paris and Summer departments, while Norway was on standby at the West Paris station. Norway also sent men to the scene.

There were no injuries, but several firemen sought first aid for burns from the excessive heat.

Several windows were broken at the Penham residence where offices were maintained. Penham said the garage was insured for approximately \$5,000. A large supply of tires, tools and equipment were considered a total loss. He plans to re-establish his business.

the road right of way in the vicinity of the Opera House.

Assessors' meetings were scheduled for June 29 and July 5 and the next Selectmen's meeting was set for July 17.

Interior Selling Tips
Remember - when you are showing the inside of your home to a prospective buyer, first impressions are lasting and have an important effect on a potential sale.
A clean, well-kept home shows a home that has had good care and has been properly maintained. Repaint the interior if it needs it, but use neutral colors, if possible. An attractive, comfortable living room is a major attraction, but a sparkling kitchen will appeal to the lady of the house. It's the heart of any home, so keep it spotless. No dirty dishes. Women are also sensitive about bathrooms; keep them clean and orderly.
Bedrooms are important—arrange their furnishings neatly. Shiny, clean windows not only are a great asset, but let sunlight in and brighten the entire atmosphere. Clean out the clutter in the closets, basement and garage. And, if you have pets, clear them out too when showing.
If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2379. We're here to help!

Mrs. R. M. Fleet, Corres.—
Eva Yates was in Lewiston and had her eyes checked and one proved and would improve more in the near future.

Alva Morrison's two boy friends have gone to Vermont. Alva is alone waiting for his parents to come any day.

A pair of eagles flew across the valley the other clear morning. His white head did not show in the sun. It has been quite a while since they have been seen. They used to nest on the ledges back of Gerald Harrington's and been seen a lot.

Hope my best friend can add to this as I can not get her on the phone.

CARD OF THANKS
I wish to thank our prompt and very efficient ambulance service for the attention I received Sunday night, June 18, 1978. The B.E.A.R.S. are great! Also thanks for help and thoughtfulness of neighbors, friends and relatives and all who called and offered help. Also to the very good care I received from nurses and Dr. Wadhwa at Rumford Community Hospital.

DR. HARLAND C. ABBOTT

Dr. Harland C. Abbott of Farmington, died Monday afternoon, June 26, 1978, at Maine Medical Center, Portland, where he had been a patient for three days, following a short illness.

He was born Nov. 5, 1918, at North Woodstock, the son of George H. and Elva E. Abbott. Educated in the schools of North Woodstock and Bryant Pond, he was a graduate of Farmington Normal School in the class of 1939. He received his B.S. and Masters Degrees from University of Maine at Orono; and his doctorate from Harvard University in 1956. He was a member of Phi Kappa Phi, Honor Society at Orono, and Phi Delta Kappa, Harvard's honorary professional fraternity.

He was appointed assistant principal and mathematics and science instructor at the (then) Model School which is now Mallett Elementary School in Farmington. Dr. Abbott effected the gradual transition of that facility from college to town administration.

He began teaching in summer sessions at UMF in the early 1950s and was responsible for the program's growth from an offering of a few courses alternately with the Portland-Gorham Campus to its present comprehensive status.

He joined the staff of the University of Maine at Farmington in 1946, following two years as teacher-principal at country schools in Robinson and Milford, and four years in the U. S. Army, where he served in the Pacific Theater and during the liberation of the Philippines during World War II.

Among Dr. Abbott's major contributions have been his administration of the college's graduate study program from 1964-1969 and his leadership of the processes which led to the UMF's accreditation by the New England Association of Schools and Colleges and by the National Council for Accreditation of Teacher Education. He has also served as Academic Dean, Registrar, Chairman of 14 Commencements and seven Honors Convocations, and as editor of college catalogs and admissions bulletins. For one academic year, he acted as Dean of Women.

He was treasurer of the Franklin County Schoolmasters' Association, president of Franklin County Teachers' Association, deacon and Sunday School teacher at the Old South Congregational Church in Farmington, and an active member of the general Alumni Association at UMF.

Dr. Abbott married Doris L. Howatt, Oct. 24, 1948, and she died Oct. 26, 1969. He married Alma B. Savin, May 12, 1972.

Since his retirement, he had passed the examination for his real estate license for the State of Maine, was on the Board of Directors of the Maine State United Church of Christ Conference, and had been working with the Literacy Volunteers.

He is survived by his widow, Alma Abbott, and a son, David A. Gilmour, both of Farmington; two stepdaughters, Joanne S. Gordon, Farmington, and Judith Massey of Massachusetts; a brother, Herschel, Leverett, Mass.; a granddaughter and a grandson.

Funeral services were held this Thursday afternoon at the Old South Congregational Church, Farmington. Rev. Edwin Alexander, officiating.

COLE - TWITCHELL

West Parish Congregational Church, Bethel, was the setting June 10, for the wedding of Christine Twitchell, daughter of Mr. and Mrs. LaForest Twitchell, Bryant Pond, and Elton L. Cole. He is the son of Mr. and Mrs. Irving Cole, Locke Mills.

Rev. Thomas Caton officiated at the double-ring ceremony. Miss Mary Valentine, organist, furnished traditional wedding music. Miss Linda Wood, Biddeford, was soloist.

The bride's crepe satin gown en train, sewed by her sister, was fashioned with a lace-edged V-neckline, empire waist, and long fitted sleeves. Lace trim edged the sleeves and skirt hemline. Her elbow-length veil was caught to a lace-trimmed caplet. She carried a cascade bouquet of white carnations and pink roses.

Mrs. Richard J. Bennett, Albany, was matron of honor for her sister. Her rose-colored crepe satin gown was identical to the bride's; she carried a colonial bouquet of white carnations and pink roses. Bridesmaids were Lee Ann Schwartz, Cape Elizabeth; Linda Cole and Marie Cole, sisters of the bridegroom. Susan J. Cole, also a sister of the bridegroom, was junior bridesmaid. They wore crepe satin halter style gowns with matching waist-length jackets, in mint green, blue, orchid and yellow, respectively. Each wore a white wide-brimmed picture hat.
